DESCRIPTION

Villa with pool for sale in Begur, Sa Tuna

This magnificent designer villa enjoys a hilltop location overlooking the sea, offering panoramic views of some of the most stunning scenery on the Costa Brava. The contemporary style home was built ten years ago as an ambitious project by a renowned architect, and boasts high quality finishes, abundant light and excellent outdoor space. Its ample light-coloured spaces combine with warm wooden floors to create elegant and welcoming rooms, ideal for a family. The villa is located in a very quiet area and is distributed over 2 floors. The ground floor is situated at entrance level, and consists of 3 wonderful double bedrooms, all of them with en-suite bathrooms and excellent sea and mountain views. We go up to the upper floor, where we find the master bedroom: a room that consists of a private bathroom with bathtub and shower, a fantastic dressing room and a sleeping area, apart from offering the best views of the whole house. This is followed by a minimalist Santos kitchen that opens onto the living room, fully equipped and very practical. The living-dining room, undoubtedly the heart of the house, is a wonderful room of generous dimensions and abundant light, perfect for relaxing and unwinding with friends and family, enjoying the views of the pool, the sea and the mountains, and finally, the outdoor space consists of a modern swimming pool with chill-out area, the ideal place to cool off and sunbathe during the warmer months. The garden also has a large expanse of lawn and an area with aromatic herbs. The property is equipped with air conditioning, heating, double glazed windows and an alarm system to ensure maximum comfort and tranquillity at any time of the year.
